

## **Sky River Soccer Club Field Rules at Fairfield County Park**

Sky River Soccer Club and its members have an agreement with Snohomish County Parks and Recreation Department to maintain and use Fairfield County Park. In return for the Club's maintenance of the Park, the Soccer Club receives a high percentage of the available field times at Fairfield County Park during specific days and times. Any volunteer hours put into field maintenance is equated to field use hours. As such, we need all Club members to be actively involved with maintenance of the fields. As you are watching your children practice or play games please walk around the fields and remove any rocks, sticks, or litter that you may find.

### **Scheduling Athletic Fields:**

Teams, Groups or Organizations seeking scheduled athletic field use must submit a field use application no less than ten business days in advance to Snohomish County Parks and Recreation.
