NCYSA Report- (Naomi Johnson) - New system without LPTs, movement to State League falls to district. Fell to district to decide who should move from district to state. Every team that wanted to play State League was approved to play State League. New North Puget Sound League was approved to help bring strength back to District 2. So higher level teams may have to go to District 3 for games or district 3 to here.

US Club is trying to pull teams to their league, The State came down that if teams do not play in a WSYSA then they will not be able to play State Cup Tournaments. Changes will come in the future.

Kasch park lots of trouble, break ins, theft. Yesterday softball players stopped a car break-in. no home games at Kasch or Walter Hall the first weekend of the season.

North County is putting together a policy for any activity that will happen outside of their boundaries, including car washes.

Players playing down rule- stipulation for only one year had been taken out of policy. Other procedures still apply.
