Minutes from the February meeting reviewed, M/S/C to approve.

Special Order of Business: Patrick O-Rourke from Winners Sports present to discuss uniforms, equipment for fall also Sprit wear and Board Jackets.

Board Reports:

Naomi Johnson, President: Turkey Shoot Rec. Tournament approved for Nov. Talked at length with Stack representative and found that the old Bonzi system (which most clubs are still using) will not be shut down until mid-2021, if even then. Each Club is supposed to have a rep assigned to them and should have been contacted. This is not happening. It is up to each rep to negotiate the processing fee to move to Soccer Connect (old Blue Sombrero) that is why that is all over the board on what is being offered to each club anywhere from 2.8 to 3.9. Fall coaches need to be updating their RMA and Safesport now for Fall.
